Our range increases regularly with the majority grown in Yorkshire. To provide instant impact and wow factor we stock a huge range of Yorkshire grown seasonal bedding along with planted baskets and containers. With the increase in popularity of 'grow your own' we sell an extensive range of seeds and young vegetable plants. Inside the Garden Centre we have chemicals, fertilisers and all the sundries you will need to keep your garden looking its best. Not forgetting your lawn, we have a full range of treatments to keep it in first class condition. Our range of decorative pots include the 'new on the market' fibre clay pots which are frost-proof and shatter-proof, as well as traditional wooden and plastic planters.
